CHAPTER 11 CASE

CASE NO. 15-10940-TMD

**ORDER APPROVING DISTRIBUTIONS TO GENERAL UNSECURED CREDITORS
AND DISPOSITION OF UNCLAIMED FUNDS**

Upon consideration of the *Motion for an Order Approving Distributions to General Unsecured Creditors and Disposition of Unclaimed Funds*, which was filed in the above-captioned main bankruptcy case (the “Case”) on November 8, 2018, Docket No. 318 (the “Distribution Motion”) by Gregory S. Milligan, as trustee (the “Trustee”) of the BullionDirect, Inc. Litigation Trust (the “Trust”), the Court finds that the Distribution Motion is proper and appropriate under applicable law, that the Distribution Motion was served and noticed in substantial compliance with the *Order Approving Form and Manner of Notice for Motion for Approval of Distributions to General Unsecured Creditors and Disposition of Unclaimed Funds*, which was entered in this Case on November 8, 2018, Docket No. 317 (the “Distribution Notice Order”) and that such service is sufficient and no further notice needs to be provided, that good

cause exists for granting the Distribution Motion, and that any responses to the Distribution Motion are denied and overruled as reflected herein. It is therefore

ORDERED that the Distribution Motion is **GRANTED** as provided herein; and it is further

ORDERED that the Trustee shall make distributions to holders of Allowed General Unsecured Claims¹ as such claims are listed on *Exhibit A* to this Order on a pro rata basis (but subject to the terms of this Order) after Class 4 and higher priority claims have been paid in full from funds available for distribution from the Trust and after the Trustee has reserved funds needed for further administration of the Trust; and it is further

ORDERED that no distributions of less than \$5.00 shall be made by the Trust; and it is further

ORDERED that such distributions to holders of Allowed General Unsecured Claims shall be made by check payable for 90 days drawn on the Trust's checking account and mailed to such holders using United States first-class mail at the addresses for such holders listed on *Exhibit A* to this Order unless such holders sent written, authenticated address change notices to the Trustee via regular mail or electronic mail updating such distribution addresses, in which case the Trustee shall use the most recent authenticated addresses for such distributions; and it is further

ORDERED that address change notices shall be deemed "authenticated" by holders of claims for all purposes if those notices are (a) signed and submitted by such holder via regular mail or (b) sent from an electronic mail address for such holder as either (1) listed in the

¹ All undefined capitalized terms herein shall be ascribed the definitions provided in the chapter 11 plan confirmed by the Court in its *Order Confirming the Debtor's Chapter 11 Plan of Reorganization*, entered July 26, 2016, Docket No. 209.

electronic mail service lists used by BullionDirect, Inc. in this Case for serving such holder, or (2) reflected in a signed proof of claim submitted in this Case by such holder; and it is further

ORDERED that for holders of claims (a) whose Physical Distribution Notice, as defined in the Distribution Notice Order, is returned as undeliverable by the postal service, and (b) who have not sent the Trustee an authenticated written change-of-address notice by the entry of this Order, or such later uniform date for processing change-of-address notices prior to distribution that may be established by the Trustee in his sole and absolute discretion without any further notice, the Trustee may not make or withhold distributions and shall instead disburse such funds to other holders of claims; and it is further

ORDERED that where distribution checks are not paid or presented within ninety (90) days, the Trustee may deposit such funds into the registry of the Court upon such funds being made available for such deposit by the financial institution holding the checking account for the Trust upon which such distribution checks are drawn; and it further

ORDERED that payees on such non-presented checks shall be able to claim such funds from the Clerk of the Court upon complying with all applicable requirements for claiming such funds that may be imposed by the Clerk of the Court and applicable law and regulation.

SO ORDERED.
